## High Pressure Gas Hose Cable Options

### Anti-whip Cable extension options

To give greater flexibility with onsite installation, Aeroflex offers various safety cable extensions. These can be fitted to existing hose assemblies without re-cabling the fixed anti-whip option.

Cable Options

We have a range of end connections options and generic layouts, however all assemblies are custom made so can be modified to any requirement. Above images show our snap hook range, we can produce these assemblies with any of the following end connections.

- Snap Hooks
- Quick Links
- Looped
- Adjustable clamps
- Spring loaded adjustable Loop
- Standard Adjustable Loop
